Switzerland

Call for Entries!

APPLICATION DEADLINE
JANUARY 15, 2021
PRIZE MONEY 20,000 EUR

Apply now for the Eppendorf Young Investigator Award 2021

Since 1995 the Eppendorf Award for Young European Investigators is granted annually to researchers up to 35 years, with an advanced degree, for outstanding contributions to biomedical research in Europe based on methods of molecular biology, including novel analytical concepts. The winner is selected by an independent expert committee chaired by Reinhard Jahn (Max Planck Institute for Biophysical Chemistry, Göttingen, Germany).

Selection criteria

> Independent scientific work
> Creativity
> Successful practical application of research approach
> Significance of research results for the field of medicine
> Achievement of candidate in relation to his/her age

The 2021 winner receives

> Prize money of 20,000 EUR
> Prize ceremony at the EMBL Advanced Training Centre in Heidelberg, on June 24, 2021, in conjunction with the "Young European Investigators Conference 2021" *www.eppendorf.com/award/25years*
> Coverage of his/her work by *Nature* (including a podcast)

The Eppendorf Award is presented in partnership with

nature

Apply online as of Oct. 1, 2020, at www.eppendorf.com/award/application
