

Proceeding for selection and recruitment of a Service: "Support in the Harmonisation Process".

On the 19th of October 2016, a service offer was posted in the Sant Joan de Déu Foundation and Parc Sanitari Sant Joan de Déu website as well as ATHLOS website, to cover a technical service entitled "Support in the Harmonisation Process". The service will collaborate in the European Project **ATHLOS** (Ageing Trajectories of Health: Longitudinal Opportunities and Synergies, Grant Agreement number 635316).

The evaluation committee consisted of the project Coordinator, Dr. Haro, in collaboration with the researchers involved in the harmonization process, Dr. Albert Sanchez Niubo and Dr. Beatriz Olaya Guzman after examining the proposals received
