

CALL FOR BIOMEDICAL RESEARCH PROJECTS
GILEAD SCIENCES GRANTS

Application Number:

PROJECT TITLE:

PRINCIPAL INVESTIGATOR:

TYPE OF RESEARCH PROJECT: ☐ UNICENTER ☐ MULTICENTER

NAME OF THE COORDINATOR:

(Only for multicenter research projects)

DURATION OF THE PROJECT IN MONTHS (MAX. 24 MONTHS):

ABSTRACT (Objectives and Methodology of the project)

(Max. 250 words)

Application Number:

PRINCIPAL INVESTIGATOR:

CALL FOR RESEARCH PROJECTS ON HEALTH - PROJECT PROPOSAL FORM
SECTION 1: BACKGROUND & STATE OF THE ART

Please describe:

Aim and scope of the research project

Background and state of the art (including ongoing scientific and technical research)

National and international research groups currently working in the research line

Please use the following section for relevant references.

(Max. 3 pages)

Application Number:

PRINCIPAL INVESTIGATOR:

CALL FOR RESEARCH PROJECTS ON HEALTH - PROJECT PROPOSAL FORM

SECTION 2: REFERENCES

List the most relevant scientific publications related to the research proposal.

(Max. 1 page)

Application Number:

PRINCIPAL INVESTIGATOR:

CALL FOR RESEARCH PROJECTS ON HEALTH - PROJECT PROPOSAL FORM
SECTION 3: HYPOTHESIS AND OBJECTIVES

(Please only use the space provided below)

HYPOTHESIS:

OBJECTIVES:

Application Number:

PRINCIPAL INVESTIGATOR:

CALL FOR RESEARCH PROJECTS ON HEALTH - PROJECT PROPOSAL FORM
SECTION 4: METHODOLOGY

Provide detailed information on:

Research design

Research subjects

Variables

Data collection methods and analysis

Limitations of the study

Technology and Knowledge Transfer Plan

(Max. 3 pages)

Application Number:

PRINCIPAL INVESTIGATOR:

CALL FOR RESEARCH PROJECTS ON HEALTH - PROJECT PROPOSAL FORM
SECTION 5: WORK PLAN

Provide a detailed work plan including the distribution of tasks assigned to the research team and the activities allocated to the requested technical support personnel requested. Additionally, indicate the names of the centres where the project(s) will be carried out.

(Please use the space provided below)

Application Number:

PRINCIPAL INVESTIGATOR:

CALL FOR RESEARCH PROJECTS ON HEALTH - PROJECT PROPOSAL FORM
SECTION 5: WORK PLAN

You may include a diagram with a timeline (optional).

Application Number:

PRINCIPAL INVESTIGATOR:

CALL FOR RESEARCH PROJECTS ON HEALTH - PROJECT PROPOSAL FORM
SECTION 6: EXPERIENCE

Scientific and technical excellence/appropriateness of the PI and research group in the field of the proposed proposal.

Participation in international R & D programmes. Quality and leadership.

Capacity building and training activities.

Previous performance and results obtained in the field of the project proposal.

(Please use the space provided below)

Application Number:

PRINCIPAL INVESTIGATOR:

CALL FOR RESEARCH PROJECTS ON HEALTH - PROJECT PROPOSAL FORM
SECTION 7: AVAILABLE RESOURCES

Indicate the available resources to conduct the research study.

(Please use the space provided below)

Application Number:

PRINCIPAL INVESTIGATOR:

CALL FOR RESEARCH PROJECTS ON HEALTH - PROJECT PROPOSAL FORM
SECTION 8: BUDGET JUSTIFICATION

Scientific justification of the requested budget. When applicable, specify co-funding from other sources.

(Please only use the space provided below)

Application Number:

PRINCIPAL INVESTIGATOR:

CALL FOR RESEARCH PROJECTS ON HEALTH - PROJECT PROPOSAL FORM
SECTION 9: REQUESTED BUDGET

1. Personnel costs Euros

Subtotal personnel costs :

2. Execution costs
A) Goods and services
(Equipment, consumables and other expenses)

Subtotal goods and services costs :

B) Travel and allowance

Subtotal travel and allowance :

Budget Requested :			
Overhead Rate:	%	Overhead Costs:	0
Total (Budget Requested + Overhead):			0
